Mr. Thornton A. Wilson  
Chairman of the Board  
The Boeing Company  
Seattle, Washington

Dear Mr. Wilson:

I wish to thank you for the hospitality, the excellent briefings and tours which you provided my staff and me during our visit to Boeing last week.

Having had the opportunity to visit your facilities and hear from your project people, I have a much better appreciation of the programs which we reviewed.

Very truly yours, STATINTL

  
George H. W. Bush

*May thanks!*
